Wake up! HAWC is in the picture again!

With your help **Hands Around the World Chain [HAWC]**
can transform a business meeting into a GLOBAL FORUM !

Your voice will be heard and your vote will count!

With HAWC, all clubs around the world have the opportunity to vote.

HAWC facilitates the representation of clubs which cannot be present,
for debating and voting.

HAWC links clubs and members so that every club around the globe
can be represented at Convention,
even if none of its members are physically present.

HAWC takes care that your voice is heard and your vote counts.
