

Making Delta Vancouver Airport Hotel Reservation

Why not reserve your pre-/post- cruise hotel room(s) today?! It's as easy as A, B, C+.

- A. On the convention website, www.powertalkconvention.com, select "Hotel Information", and on that page click on "Pre-cruise hotel booking form", <http://www.deltahotels.com/groups/online/DVA/seitc1.php>
- B. You'll be taken to a page featuring preconvention dates, July 15-17. When you select **CLICK HERE**, it will take you to the "reservation page."
- C. Note: For "Hotel or Resort," Delta Vancouver Airport is already there. Thus you can start with Arrival Date. Be sure to specify Departure Date - July 18 and fill in the rest of the choices leaving "Delta Rate of the Day."
- D. Click on "Check Availability & Rates" to see the 3 room choices including views (Delta, Premier, and Deluxe) , and select the one you want, then Continue.
- E. The "Complete your Details!" page shows the reservation summary and asks for your information.
- F. Once finished, you'll see a "Reservation Confirmation" page and soon afterwards receive an email including your confirmation number.
- G. To book for one or more nights after the convention, return to Step A, click on the Post-cruise hotel booking form, and just follow steps B to E.
